### Aluminum Die Casting Companies Introduction

Ningbo City Yizhou Ruican Machinery Co.,Ltd. Has specialized for casting, casting mould and machining for more than 20 years. Including sand casting, investment casting, die casting, forging etc. In these several we have 15 engineers to design and manufacture mould. We make the mould in our own factory so it can be made as quickly as we can, we'll not waste the time on the mould finish date. We had made automatic mould, so the production is being more and more efficiently. We had add a production line for sand casting and shortened the leadtime.
